

MAGNIFY + YOUR MAGIC

YOU ARE PERFECT!
WANT TO KNOW WHY?

YOUTH
EMPOWERMENT

Think back to your first year out of high school, whether a gap year, uni, or job hunting. Remember your first job interview? Sweaty palms, awkward answers, small fish in a massive pond.

Remember all those times you compared yourself to others, feeling completely lost, insecure and overwhelmed?

Even the most confident fall apart at some point trying to prove themselves and navigate this journey into adulthood, Now add the internet, social media, smart phones, emoji's and popularity based on Instagram likes or Tik Tok followers...
A recipe for disaster!

Now, imagine if you had been given a tool kit, a blueprint, a crash course in **YOU-** your personality, your assets, your unique abilities, how you communicate at your best, what fascinates people about you, a tool kit that uncovers your most distinctive qualities and helps you identify the exact words to describe who you are at your best.

The Fascinate® Assessment is the only tool that tells you how you are perceived by others. Emotional Intelligence and Personal Growth... Preparation for life!

Magnify Your Magic is a youth initiative derived from the highly acclaimed 'How to Fascinate' program which has been taken by 10's of thousands of people around the world.
